MEMORANDUMMRS. GIBSON

Henry A. Gilman, Ashland 5846, is an insurance claim agent or investigator whose name was given me by Mr. Studer. Gilman investigated a claim made by Mrs. Gibson's mother on an insurance policy covering the life of John Eisleitner. Gilman states that he knows little of Mrs. Gibson but that Chief of Police O'Neill of Bayonne, and the head of the Bureau of Identification in Bayonne know the Eisleitner family history well and that Andrew Eisleitner, a brother, has a police record in Bayonne, including finger prints and photograph. Also that the police there know the sister, Mrs. Madeline Williams, well.

Gilman said that Mr. Ohl of the Prudential Insurance Company might have further information, which could be obtained through McCarter and English.
